TOOLS®**

KONSTRUCT™ SERIES FULL BRIM HARD HATS

With continued focus on innovation, Klein Tools **KONSTRUCT™ Series Full Brim Hard Hats** are designed and engineered for the harshest environments! KONSTRUCT hard hats are constructed using lightweight fiber reinforced polymer to withstand radiant heat loads of up to 350°F. The classic look of the KONSTRUCT Series is not only cool, but designed to also enhance comfort and fit: achieved with an adjustable, flexible, open-frame 6-point suspension that hugs your head for a secure fit, coupled with a padded, sweat-wicking band and replaceable top pad. Select models feature patented accessory mounts on the front and back to securely attach Klein Tools' exclusive hard hat accessories—no straps needed!

6-Point Suspension — for enhanced stability and secure fit

Patented Accessory Mounts (on #60447) – Ensure Klein Headlamps and accessories are properly positioned on front or back; **NO STRAP** needed!
