Model: 810-QR Quick Release Window Mount

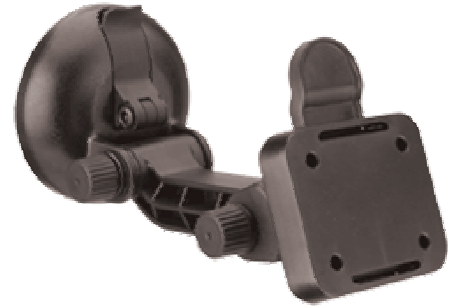

We've included our "quick release" AMPS-compatible interface for "easy on, easy off" accessibility.

Quick Release Interface:

- AMPS-compatible, a quick release interface for a wide variety of electronics including satellite radios and GPS units
- Quickly remove electronics for security or move them from vehicle-to-vehicle
- Top firmly attaches to the base with a solid "click"
- Made of black, high-impact polycarbonate plastic
- Simply lift the latch to remove the electronics

Window Mount Features:

- Powerful suction pad attaches to any smooth, flat, non-porous surface including windshields and side windows
- Easily move electronics from vehicle-to-vehicle or remove for security
- Electronics mounting plate tilts up and down (locks with knob) and features 20° Tilt in all directions
- Ratchet arm has 140° motion; knob locks arm into place
- Suction pad is 2.8" (71mm) in diameter
- Recommended for electronics weighing less than 2.0 lbs. (0.9kg)
- Quick release suction cup tab
