Weidmüller now has a universal solution in the form of the new feed-through device terminals of the WGK series which can be used to feed currents of different magnitude. The clip-together enclosure halves result in a detachable and easily fitted connection for linking system components. The use of the tried-and-tested Weidmüller clamping yoke connection system guarantees a zero maintenance, vibration-proof connection.

General ordering data

Order No.	1936450000
Type	DP WGK 4
Version	OMNIMATE Power - series WGK, Feedthrough terminal
GTIN (EAN)	4032248780624
Qty.	50 pc(s).

Technical data

Dimensions and weights

Length	21.5 mm	Width	4 mm
Height	20 mm	Net weight	0.64 g

Rated data to IEC

Pollution severity	3	Standards	IEC 60947-7-1
--------------------	---	-----------	---------------

Technical data

Number of connections	2
-----------------------	---

Technical specification

Colour of insulating material	Grey	Installation advice	Direct mounting
Product family	OMNIMATE Power - series WGK		

Material data

Material	Wemid	Colour	Grey
UL 94 flammability rating	V-0		

Classifications
