

BU-P6713

(Adapter: Push-on Plug, Male-Female)

- Mueller's BU-P6713 is a push-on adapter that attaches to cables with male F-style connectors.
- "Push on" is ideal for testing manufacturing environments.
- Overall length 0.93" (23.6mm), overall diameter 0.49" (12.45mm)
- Materials:

Connector body	Nickel-plated brass
Center contact	Nickel-plated brass
Insulator, female	Polystyrene
Insulator, male	Polybutylene terephthalate
- Rating:

Impedance	75 Ohms
Frequency	0 to 500 MHz
Voltage	500 V Max.
Temperature	-40°C (-40°F) to 65°C (149°F)
- RoHS 3 compliant, exemption 6c
