

TREBLAB Z7 PRO - Hybrid Active Noise Canceling Headphones with Mic - 45H Playtime & USB-C Fast Charging, ANC Wireless Over Ear Bluetooth Headphones w/aptX, Stereo Sound, Touch Control (Grey)

- Hybrid Active Noise Canceling – Retreat to a sound-free paradise with noise canceling headphones that fully block background noise. Crafted with 6 auto-adjusting microphones that activate when noise is detected and a transparent mode to hear surroundings.
- Premium Sound & Luxury Comfort – Enjoy your music all day long under super comfortable memory foam ear cushions. Paired with a Qualcomm AptX HD chipset and 40 mm driver for incredible stereo sound.
- Industry-Leading Play Time – Over-ear headphones with 45 hrs of battery life, fully charged in 2.5 hrs. Quick charge for 20 mins for 5 hrs of life. Enjoy it with Bluetooth 5.0 and multipoint connection.
- Seamless Touch Control – Start, stop, and skip tracks or adjust volume with a single touch of TREBLAB'S Z7 Pro Bluetooth headphones with microphone. Answer calls, or activate the voice assistant.
- Automated Ear Detection – Set your pace with wireless headphones with mic that auto-pause when taken off, and auto-play when worn again.

Experience unrivaled sound with TREBLAB's Z7 Pro noise canceling headphones that completely block unwanted sounds.

KEY FEATURES

Active noise cancellation

TREBLAB's Z7 Pro sound cancelling headphones utilize 6 auto-adjusting microphones block incoming sounds. Switch to transparent mode to hear surroundings, or enjoy excellent call quality.

Up to 45 hours of battery life

Reach a max 45-hour battery life in just 2.5 hours with a USB-C connection. Or charge for 20 minutes for 5 hours of listening.

Responsive touch controls

Control music or answer calls with a single touch. On-ear detection to automatically pause when taken off – and resume when worn again.

Incredible sound quality

Powered by a Qualcomm AptX chipset for a rich, clear sound with a flawless balance of frequencies.

Bluetooth 5.0

Pair with any Bluetooth, iOS, or Android system. Connect two devices, and easily switch between each.

Soft fit & IPX4

Plushy ear cushions crafted from memory foam and soft protein leather. IPX4 water-resistance for all-year use.

Voice Assistant

Go hands-free with a built-in voice assistant that responds to commands. Select music, make calls, send messages, and more.
