

UTD series terminal blocks meet international IEC 60947-7-1 standards, have the following features.

- 1.Can be installed on the rails such as TH 35 or C 25,or barrier installation.
- 2.Barrier connection.
- 3.They are fitted with insulating accessories, such as end cover, partition plate, separating disk, etc.
- 4.Reliable and safety connection thanks to covering hood.

Marker strip	
Marker strip for 10 terminals	UTD-10B/10P 394001
Marker strip for the combination of N terminals	UTD-ZB 394006

Covering hood	
For dust-proof encapsulation, makes electrical isolation possible.	UTD-10/32F 395001

**Notes:**

1.The color can be customized :

Claybank(DY)

Grey(GY)

2. Add a color code after the model when you are placing an order ,for example ,UTD-10 (DY) .
