

## Teaching materials

# Teaching materials

- Ideal for learning pneumatics
- For high schools, colleges and training centres

## Part numbers

|                            |            |            |
|----------------------------|------------|------------|
| Training console PUMA 2000 | 81 598 940 | —          |
| Add-on unit                | —          | 81 598 941 |
| Weight (kg)                | 30         | 4          |

## Characteristics

|                                                     |   |   |
|-----------------------------------------------------|---|---|
| Maintained sequencer sub-base assembly              | • | — |
| 1 relay sub-base                                    | • | — |
| 1 peripheral sub-base                               | • | — |
| 1 plate with 8 push-buttons                         | • | — |
| 1 plate with 8 indicators                           | • | — |
| 1 basic console                                     | • | — |
| 1 cylinder mounting plate                           | • | — |
| (3 cylinders + control valves + position detectors) | — | • |
| 2 electro-pneumatic interface units                 | — | • |
| 1 pneumo-electrical interface unit                  | — | • |
