KLEIN
TOOLS®

REUSABLE FACE MASK WITH REPLACEABLE FILTERS

At a time when safety is more essential than ever in all work environments, Klein Tools expands its Personal Protective Equipment (PPE) product line to offer Reusable Face Masks with Replaceable Filters. These washable masks provide protection against non-toxic dust, pollen, mold, dander, and common airborne irritants. Both neck and head straps are comfortable; adjustable nose clip provides proper fit and prevents glasses from fogging. Exhalation valves create a cool mask environment and replaceable filters (also sold separately) enhance long term use. One size fits most.

REPLACEABLE FILTERS

ADJUSTABLE NOSE PIECE

ADJUSTABLE STRAPS

Mask Includes:

- One filter
- Storage bag for filters

⚠ NOT NIOSH approved. To ensure safe operations, read and follow all instructions.
