TRADESMAN PRO™ TOOL MASTER BACKPACK

Aircraft cable heavily reinforces the handle

Metal hanging hook allows for easy access.

Molded bottom helps protect from the elements

THE REMOVABLE TOOL CADDY

allows you to bring just what you need.

This is a seriously tough backpack starting with a handle reinforced with aircraft cable, 1680d ballistic weave material construction, and a fully-molded waterproof bottom. With **48 POCKETS** inside and out, the Tool Master Backpack has plenty of room for all sorts of hand tools, tablets, cables and wires, safety equipment, attachments, accessories, and more. In fact, the adjustable front pouch is a perfect spot for your drill. Need only a few tools for your next task? The removable tool caddy is designed for you to take just what you need. Both the tool caddy and the backpack can be hung, keeping your tools easily within reach.

D-ring for easy hanging nearby

Convenient carrying handles

Removable tool caddy

Open pockets and straps that are ideal for long drivers

Mesh and zipper pockets perfect for cables and wires

Orange interior to help find tools easily

21 different interior pockets

Large zipper pocket and closed pouches for smaller tools and parts

Large interior space for larger hand tools like drills
