

Dual Loop Cable Ties

Features

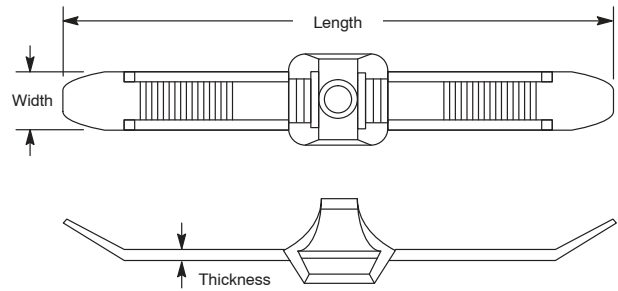

- Increased flexibility and toughness
- Impact resistant material prevents cracking and breaking due to repeated high impacts and vibration
- 150 lb. tensile strength for heavy duty applications
- Heat stabilized to provide high operating temperatures of 230°F
- Mounting hole provides option of securing bundles in heavy duty equipment
- Weather resistant UV Black for outdoor use and sun protection

Description

Designed to mount and wrap two separate bundles of hoses, wires, cables, or tubing, in parallel to protect them from abrasion or chafing.
