

# P1CA-SMFSMFRA-F047-3.3

Cable Assembly, SMPM female right angle to SMPM female straight, .047 flex, 3.3 inch.  
Designed to mate with dual receptacle 3211-40024.

## Product Features

P1CA-SMFSMFRA-F047-3.3 is a 50 Ohm RF cable assembly, SMPM female right angle to SMPM female straight, .047 flex, 3.3 inch.

RF Tested DC to 6 GHz with a max VSWR 1.25 and Insertion Loss 0.9 dB max.

Electrical Specification:  $T_{\text{Ambient}} = 25^{\circ}\text{C}$

| Parameter       | Frequency Range | Units | Min | Typical | Max | Notes |
|-----------------|-----------------|-------|-----|---------|-----|-------|
| Frequency Range |                 | GHz   | DC  |         | 6.0 |       |

Mechanical And Environmental Specifications:

| Parameter       | Description             | Notes |
|-----------------|-------------------------|-------|
| Connector 1     | SMPM Female Right Angle |       |
| Connector 2     | SMPM Female straight    |       |
| Length          | 3.3                     |       |
| RoHS Compliance | Yes                     |       |
