SIEMENS

Data sheet

Pushbutton, 22 mm, round, plastic with metal front ring, blue, pushbutton, raised momentary contact type, with laser labeling, upper case $\frac{1}{2} \frac{1}{2} \frac{$

product designation design of the product product type designation product line Plastic with metal front ring, matt, 22 mm Plastic with metal front rin		
product type designation product line Plastic with metal front ring, matt, 22 mm Enclosure number of command points 1 Actuator design of the actuating element principle of operation of the actuating element product extension optional • light source • contact module color of the actuating element material of the actuating element shape of the actuating element outer diameter of the actuating element product extension optional • light source • contact module color of the actuating element plastic shape of the actuating element outer diameter of the actuating element Any inscription, text in upper case		
product line Enclosure number of command points Actuator design of the actuating element principle of operation of the actuating element product extension optional • light source • contact module color of the actuating element material of the actuating element shape of the actuating element outer diameter of the actuating element marking of the actuating element Any inscription, text in upper case		
Enclosure number of command points Actuator design of the actuating element principle of operation of the actuating element product extension optional light source contact module yes color of the actuating element blue material of the actuating element plastic shape of the actuating element outer diameter of the actuating element Any inscription, text in upper case		
number of command points Actuator design of the actuating element Raised button principle of operation of the actuating element momentary contact type product extension optional Ight source No contact module Yes color of the actuating element blue material of the actuating element plastic shape of the actuating element round outer diameter of the actuating element 29.5 mm marking of the actuating element Any inscription, text in upper case		
Actuator design of the actuating element principle of operation of the actuating element product extension optional • light source • contact module color of the actuating element material of the actuating element shape of the actuating element outer diameter of the actuating element marking of the actuating element Any inscription, text in upper case		
design of the actuating element principle of operation of the actuating element product extension optional • light source • contact module color of the actuating element material of the actuating element shape of the actuating element outer diameter of the actuating element marking of the actuating element Any inscription, text in upper case		
principle of operation of the actuating element momentary contact type product extension optional		
product extension optional Ight source Contact module Color of the actuating element material of the actuating element shape of the actuating element outer diameter of the actuating element marking of the actuating element Any inscription, text in upper case		
● light source ● contact module Color of the actuating element material of the actuating element shape of the actuating element outer diameter of the actuating element marking of the actuating element Any inscription, text in upper case		
● contact module Color of the actuating element material of the actuating element shape of the actuating element outer diameter of the actuating element marking of the actuating element Any inscription, text in upper case		
color of the actuating element blue material of the actuating element plastic shape of the actuating element round outer diameter of the actuating element 29.5 mm marking of the actuating element Any inscription, text in upper case		
material of the actuating element plastic shape of the actuating element round outer diameter of the actuating element 29.5 mm marking of the actuating element Any inscription, text in upper case		
shape of the actuating elementroundouter diameter of the actuating element29.5 mmmarking of the actuating elementAny inscription, text in upper case		
outer diameter of the actuating element 29.5 mm marking of the actuating element Any inscription, text in upper case		
marking of the actuating element Any inscription, text in upper case		
Front ring		
Front ring		
product component front ring Yes		
design of the front ring Standard		
material of the front ring Metal, matt		
color of the front ring sand gray		
General technical data		
protection class IP IP66, IP67, IP69(IP69K)		
degree of protection NEMA rating 1, 2, 3, 3R, 4, 4X, 12, 13		
shock resistance		
• according to IEC 60068-2-27 sinusoidal half-wave 15g / 11 ms		
● for railway applications according to EN 61373 Category 1, Class B		
vibration resistance		
• according to IEC 60068-2-6 10 500 Hz: 5g		
● for railway applications according to EN 61373 Category 1, Class B		
operating frequency maximum 3 600 1/h		
mechanical service life (switching cycles) typical 10 000 000		
reference code according to IEC 81346-2		
Substance Prohibitance (Date) 10/01/2014		
Ambient conditions		
ambient temperature		
• during operation -25 +70 °C		

during storage	-40 +80 °C	
environmental category during operation according to IEC 60721	3M6, 3S2, 3B2, 3C3, 3K6 (with relative air humidity of 10 95%)	
Installation/ mounting/ dimensions		
height	29.5 mm	
width	29.5 mm	
shape of the installation opening	round	
mounting diameter	22.3 mm	
positive tolerance of installation diameter	0.4 mm	
mounting height	16.2 mm	
installation width	29.5 mm	
installation depth	24.3 mm	
Certificates/ approvals
