

pHAT Diffuser /PIM309

This diffuser will give your pHAT lovely bokeh!

Cut from the finest frosted perspex, this little diffusion layer will soften the lights from your Scroll pHAT HD, Unicorn pHAT, or any other pHAT with lovely, blinky lights of your choosing.

Ships with 6 nuts that you can use to vary the distance between the diffuser and the pHAT to give a greater or lesser light spread, depending on your preference.

Raspberry Pi Zero W and Unicorn pHAT not included!
