RECHARGEABLE CLAMPING FAN

The Rechargeable Clamping Fan is a 13" tall fan designed to keep tradesmen cool all day. Up to 12 hours of runtime ensures that this fan works as long as you do. The magnets, clamping base, and hang hole allow for this fan to travel wherever you need to go. Take this rechargeable fan into attics, scissor lifts, crawlspaces, and anywhere else you need powerful airflow.

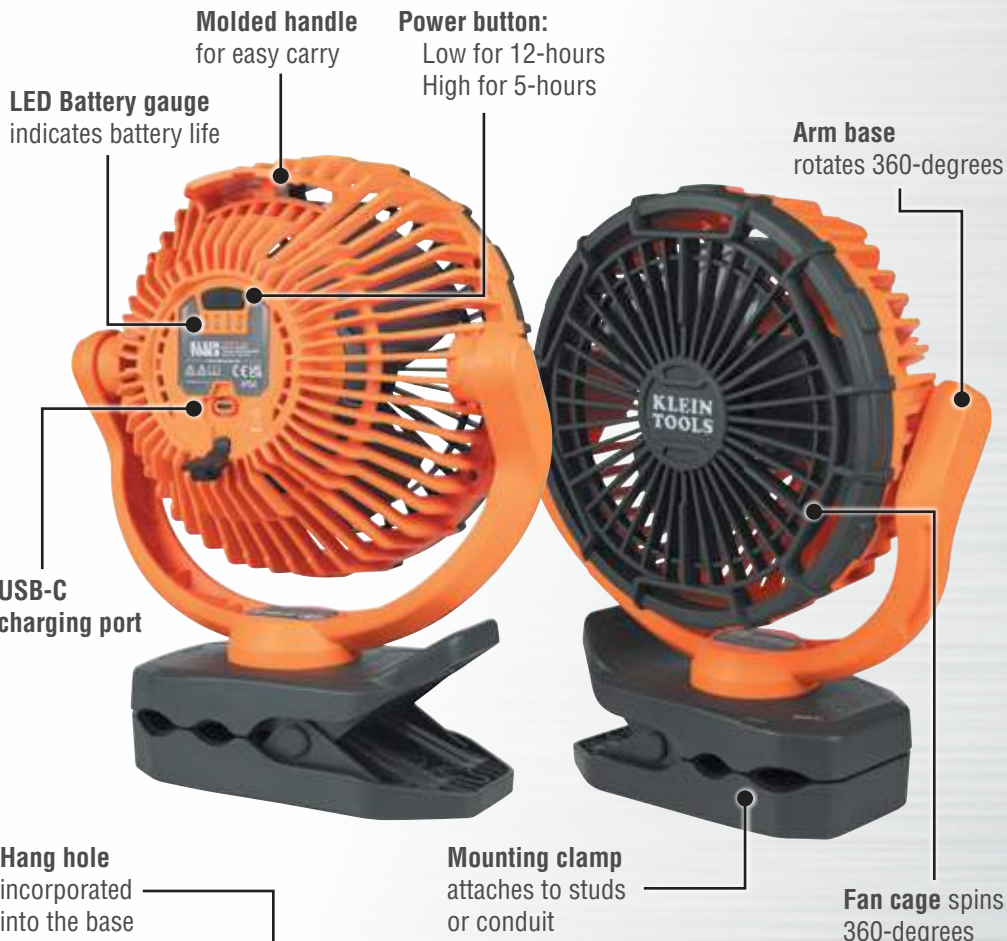

Powerful Magnets

Strong Clamp

Hang Hole

USB-C cable included

4 powerful magnets for mounting to any ferromagnetic surface

For Professionals
SINCE 1857™
