---	---

Review this proof for accuracy and that it meets your requirements. Your careful scrutiny and approval is the final OK to run the job.

When printed at ACTUAL SIZE with no SCALING the dieline represents the size and cut and WILL not appear in print. This is not a proof of final output color, please refer to the Pantone spot colors or a process match book for color.

Changes noted on the proof will require reproofing and may change the cost/scheduling for this job. Fax or email an approval of this proof to your service representative.

Notes:
Proof 1
