

Jonard's long nose pliers are made of heat treated chrome vanadium steel for maximum strength and durability. These long nose pliers feature the following:

- Designed to grip small wires or parts and reach into tight spaces
- Cross hatched knurled jaws to ensure a tight grip and rivet design to ensure smooth movement and eliminate side-play
- Two stripping holes for 19 and 22 AWG wire to easily strip wire
- Ergonomically designed handle with dipped plastic grip for greater comfort and torque
