

Specification Sheet

Part Number: RNGPP1URCM

Accommodates 4 standard RapidNet Cassettes

Dual label fields with magnifying lenses

Supported rear cables

Multiple cable fixing locations

Multiple rear entry points

Vertical cable protection

RapidNet Panel with Rear Cable Management, Black, 1/pkg

Article Number

859-30057

Type

RNA6UXX-PB1USC-XX.XX

Color

Black (BK)

Quantity Per

pack

Product Description	HellermannTyton's RapidNet Panel with rear cable management provides support and protection for MTP backbone and fibre cables within a cabinet or patching frame. The panel can also be used with the RapidNet direct terminated fibre solution, RapidNet MTP VHD or UTP copper RapidNet Cassettes, providing additional rear cable management and enabling a 'mix and match' approach between copper and fibre. A range of fixing points are provided in the rear of the panel to secure cables and provide strain relief for the MTP connectors and adapters. 25mm conduit (available as kits) then supports and protects the cables from the panel to the horizontal cable routes. Multiple rear entry points are provided for the conduit tubing to enable maximum flexibility.
Short Description	RapidNet Panel with Rear Cable Management, Black, 1/pkg
Global Part Name	RNA6UXX-PB1USC-XX.XX
Variant	Modular Panels
Width W (Imperial)	19.0
Width W (Metric)	483
Height H (Imperial)	1.73
Height H (Metric)	44
Depth D (Imperial)	11.4
Depth D (Metric)	289
UV Resistant (Yes/No)	No

Reach Compliant (Article 33)	No
Package Quantity (Imperial)	1
Package Quantity (Metric)	1
Customs Number	7326908695
