

TRADESMAN TUMBLER

Perfect for the jobsite or weekends

The Klein Tools 20 oz Tumbler keeps liquid cold up to 12 hours and hot up to 4 hours. Double wall vacuum insulated stainless steel with a rugged, textured silicon outer sleeve for slip-resistance. The unique lid design allows for easy twisting with gloves on or off. Secure Tumbler to ferromagnetic surfaces with a removable rare earth magnetic lanyard. Made from BPA-free food grade materials.
