

**TLS2010**

**JUMPER LEAD SET (PVC INSULATION)**

**Color identification is safe way to work on electrical circuits**

**Four-piece Color Coded Jump Lead Set**

- Alligator clips on both ends securely grip terminal connections
- Lead length is 48" (122cm) for extra reach
- Heavy duty but flexible rubber boots provide safety insulation and wire connection strain relief
- Soldered and clamped wire connections to alligator clips provides low signal loss and prolongs life
- Four distinct colors facilitate easy identification of test circuits
