Item description

Mounting accessories *WINSTA*® MINI 5-pole

Choose reliable safety for the installation at your construction site: The mounting accessories from the *WINSTA*® MINI product line. With WAGO, you benefit from a large selection of expansions for the *WINSTA*® product line. *WINSTA*® MINI is our response to the trend toward miniaturisation. Our smallest pluggable connection system is especially suitable for lights, for instance, since due to LED technology, these offer much less space for the connection technology.

WINSTA® MINI solutions for your electrical installation – maintenance-free

The WINSTA® Pluggable Connection System is perfectly tailored to the very strict requirements of building installation. It makes electrical installation pluggable, and therefore more efficient, more reliable, and error-free. Use of this pre-assembled system reduces time spent on assembly and errors during installation at the construction site. Choose durability and quality – the WINSTA® MINI accessory from WAGO makes the electrical installation of electrical components visibly easier.

- compact design for conductors with a cross-section up to 1.5 mm²
- quick replacement of defective units during ongoing operation

Data

Connection data

Connection 1

Pole number	5
-------------	---

Mechanical Data

Mounting type	Screw mounting
Suitable	for distribution connectors (except T-distribution connectors); 5-pole

Material Data

Note (material data)	Information on material specifications can be found here
----------------------	--

Color	white
Insulation material	Polyamide (PA66)
Flammability class per UL94	V0
Fire load	0.071 MJ
Weight	2.4 g

Environmental requirements

Processing temperature	-5 ... +40 °C
Continuous operating temperature	-35 ... +85 °C
Note on continuous operating temperature	Insulating parts for temperatures ≤ 105 °C

Subject to changes. Please also observe the further product documentation!
