

PWR-4 Citrus Degreaser HF Product# 2892

Product Description

PWR-4 Citrus Degreaser HF is ideal for removal of all types of soils including oxidized grease, sludge, wax, tar and oil. The moderate evaporation rate increases the cleaning power for hard-to-remove soils. The low surface tension provides for superior wetting to clean in even the tightest spots. PWR-4 Citrus Degreaser HF has a flash point greater than 140° F which may be advantageous when planning for disposal of used rags.
