

Never Get Stuck Again

Driving hazards like snow, ice, sand, and mud are no match with the Escaper Buddy in tow.

Simply place these traction mats under your vehicle's drive wheels, press lightly on the accelerator, and you are going again.

With metal traction plates at the end for extra grip and durability, these mats will get you out of any tough spot.

Escaper Buddy

With Metal Traction Grips

Model# 20322

UPC	857170005980
Dimensions	34.5" x 10.5" x 6.25"
Weight	15.5 lbs.

Get Out of Any Jam

- Treads on both sides grip your tires and dig into the ground, preventing mats from sliding
- Raised tracks prevent tires from spinning in any element; metal spikes add extra grip
- High-impact polypropylene is lightweight, durable, and strong enough to handle any type of vehicle
- No towing, pushing, or shoveling needed
- Set of 2 mats: one for each front or rear wheel
