

Featuring an ergonomic cable splicing knife and electrician's scissors in a comfortable leather pouch, the TK-400 Splicer's Kit is the perfect compact tool kit for cable splicing needs.

Kit includes:

- **ES-1964** Electrician's Scissors: Designed for heavy duty use and has two wire stripping notches for 18-20 AWG and 22-24 AWG wire
- **KN-7** Ergonomic Cable Splicing Knife: Cuts through many types of high strength cables and insulation with an ergonomic non-slip grip for increased comfort and control
- **H-40** Leather 2 Tool Pouch: Securely stores all tools in this kit and has a 2" wide belt loop for mounting
