The Toughest Flashlight You'll Ever Need™ - ideally suited for mid-sized jobs in smaller areas, the Energizer® Hard Case Professional® LED Project Light is easy to hold and pack up. Its bright white spot puts light where you need it most and the shatterproof lens shelters the LEDs. Made from impact resistant ABS plastic with steel sides and a shock absorbing rubber overmold, the light survives a 2-meter drop. It is water resistant, making it ideal for many outdoor applications. Finally, an impressive 23-hour run time keeps cost of ownership low.

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light
