

The Aegis Line

The Aegis Line is Flambeau's newest blow molded family featuring a new, rugged design with thick double walls, snap-fit latches, locking points for extra security, steel pin hinge construction, and an integral handle for easy carry. Available in seven unique sizes from the largest blow molded case in the market to one of the smallest blow molded cases, The Aegis Line can be customized with an engraved logo plate; custom molded interiors, foam inserts; custom latches and/or color. Stackable and stands on 2 feet, these cases can handle any tough job.
