Command™ Replacement Mounting Strips make it easy to move and rehang your Command™ Products for cleaning, redecoration or reorganization. Like all Command™ Products, they hold strongly on a variety of surfaces, including tile, wood, metal and painted surfaces. Yet they also remove cleanly no holes, marks, sticky residue or stains. Command™ Refill Strips come in both small, medium and large sizes. Also a great for replacement for double sided sticky tape. Holds strongly yet removes cleanly. Contains 6 strips; medium strips hold 3 pounds and large strips hold 5 pounds.
