Designed for future, engineered to last

LED Shoe Box Light

TK-SAL2

DESCRIPTION
LED Shoebox light is perfect fixture for medium height parking lot poles and new construction applications in industrial, warehouse, manufacturing, commercial, office, residential, and hospitality facilities.

APPLICATIONS
Ideal for lighting general outdoor, wet location and commercial area lighting. Replaces Metal Halide for superior energy efficiency and slim aesthetics.

Specification Features

Controls / Dimming
High quality bi-level Motion sensor with increased energy savings (Optional) & Photocell

Warranty
5 Years Limited Warranty. See warranty documentation for more information

Certification
Wet Location Certified, safe and reliable. DLC Premium, UL certified.

Installation / Mounting
Luminaire is easy to Surface Mount install. Five Mounting Options: Direct, Slip Fitter, Square/Round Pole Bracket, Trunnion and U bracket.

## Ordering Information   Example: TK-SAL2-150W-YXX-P

Fixture Type	Wattage	CRI	CCT	Options	Voltage
		Y	**XX**	**X**	**H**
TK-SAL2 **LED Shoe Box Light**	**60W** **100W** **120W** **150W** **200W** **240W** **300W**	**7** - 70 **8** - 80 **9** - 90	**30** - 3000K **40** - 4000K **50** - 5000K **57** - 5700K	**Blank** - Non-Dimmable **D** - Dimming **P** - Photocell **M** - Motion Sensor	**Blank** - 100 - 277V **H** - 200 - 480V

Lighting Parameters

Input Voltage	100-277VAC / 200-480VAC
CCT	4000K,5000K, 5700K
CRI	RA>70
Lumen Efficiency	130lm/W
Working temperature	-40°F~104°F
Power Factor	≥0.95
Frequency	50/60 Hz
Lifetime	>50,000Hrs
Distribution	Type II/Type III/ Type IV/ Type V

Dimensions

60-150W

200-300W

Mounting Options

Direct (DI)

Slip Fitter (SF)

Square/Round

Trunnion (TR)

U Bracket

Additional Options

Microwave Motion Sensor

Lightning arrester

Socket base of photocell

Shorting Cap

Photocell (dusk to dawn)
