## Item description

### Cover *WINSTA*® MINI 3-pole

The cover from the *WINSTA*® MINI product line guarantees you the greatest flexibility in electrical installation. An extensive range of accessories complements the *WINSTA*® product line from WAGO. *WINSTA*® MINI satisfies the demand for miniaturisation. Our smallest pluggable connection system is primarily suited for lights, for instance, since as a result of LED technology; due to complex systems, these offer much less space for the connection technology.

### Push-in *CAGE CLAMP*® spring pressure connection technology – pluggable installation instead of laborious screw connections!

The *WINSTA*® Pluggable Connection System allows pluggable electrical installation. This saves time, lowers costs, and reduces the need for servicing. Choose quality and durability – the *WINSTA*® MINI accessory from WAGO makes the installation of electrical components visibly easier.

- 
- easy tool-free operation, a wide range of coding options
- quick replacement of defective units during ongoing operation
