Please be informed that the data shown in this PDF document is generated from our online catalog. Please find the complete data in the user documentation. Our general terms of use for downloads are valid.

Mobile workbench, electrical height adjustment, modular extension with holder systems, device carriers, and shelves for automatic tools, printers, hand tools, and accessories, basis for the clipx WIRE assist and further workshop applications.

Your advantages

- Optimum ergonomics with electrically height-adjustable workbench and customizable arrangement of the devices
- Freely configurable due to the modular design
- Mobile use with rollers and locking mechanism
- High efficiency with short reaching distances
- Semi-automated solution combining workbench system, software, and devices

Commercial data

Item number	1194550
Packing unit	1 pc
Minimum order quantity	1 pc
Note	Made to order (non-returnable)
Sales key	BH31
Product key	BH371Z
GTIN	4063151249120
Weight per piece (including packing)	22.22 g
Weight per piece (excluding packing)	22.22 g
Customs tariff number	94032080
Country of origin	DE
