Overview

3M™ TEKK Protection™ Nitrile Gloves, used to help protect hands from most solvents, offers comfortable and reliable hand protection. 3M™ TEKK Protection™ Nitrile Gloves are puncture resistant so solvents can stay on the gloves and not on hands. They are made of natural rubber and are latex free in order to reduce skin irritation. 3M™ TEKK Protection™ Nitrile Gloves are a great choice in hand protection for both the pro and the DIYer.

• Use to help protect hands from most solvents
