

3M Science.
Applied to Life.™

**New ways
to shed
some light.**

**Task Lighting for 3M™ Hard Hats
with options to help fit your needs.**

Features and Benefits:

- Includes 3 AAA batteries and three attachment options – nylon headstrap, rubber hard hat strap, 3M™ Dual Lock.
- The rubber headband provides a secure attachment for the headlamp to most 3M hard hats.
- The 3M™ Dual Lock fastener works well for securing the headlamp to many hard hat designs and materials.
- Securing the headlamp without a strap reduces interference with earmuffs and other hard hat attachments.
- The nylon headband allows the lamp to be worn by the user without wearing a hard hat.

3M™ Hard Hat 70 Lumen Task Light, HL100

The 3M HL100 is a versatile headlamp that allows hands free lighting in certain industrial uses. Lightweight, 4 LED, 70 lumen, task light with 4 lighting modes that can be worn with or without 3M hard hats. Weighing only about 78 grams but able to run up to 150hrs on low setting and 74hrs on its high setting, this water-resistant (IPX-4 rated) hard hat mounted head lamp is popular for a wide range of indoor/outdoor industrial lighting applications. Not intrinsically safe.
