

Industrial Borescope PCE-VE 390N

PCE-VE 390N Industrial Borescope

Includes semi-flexible / semi-rigid, 28 mm / 1.1 in diameter, 10 m / 32.8 ft long cable and SD card memory for saving pictures and videos

PCE-VE 390N is the ideal industrial borescope or snake inspection camera for the analysis of buildings (walls, supports, eaves, gutters, attics, crawl spaces), plumbing (pipes, drains, sewers, wells) and heating, ventilation, air conditioning and refrigeration (HVACR) systems (ducts, furnaces, chimneys, boiler and condenser tubes). The IP68-rated cable of this inspection camera is waterproof and heavy duty, making the PCE-VE 390N well suited for use in tough environments like construction sites and industrial installations.
