Silicone Sleeve for HUSKYLENS

SKU:FIT0647

INTRODUCTION

When using HUSKYLENS, you may encounter accidental drops, bumps, etc. Now we carefully designed this silicone sleeve to protect your board.

This silicone sleeve is small in size, cute in shape. It looks like a cool dog face. It protects and accessorizes your HUSKYLENS!

The silicone material is soft and has the stretch, so this silicone sleeve can perfectly fits the HUSKYLENS. It can provide protection against dust and splash water, and can also prevent exposed components from bumping or short circuit. Besides, all the interfaces of HUSKYLENS are reserved for your convenience.

In addition, the surface of the silicone sleeve is coated with the matte oil, so it is not easy to stain, and has a smooth feel, which brings you a better experience.

Note: This product does not include the HUSKYLENS board.
