Euri Lighting

LED EA21-22W1050*eh*

Bulb Class: A21

5000K

Product Description

LED EA21-22W1050*eh* replaces conventional 150 Watt incandescent bulbs delivering more brightness (lumens) for less energy (Watts). With lower energy consumption levels you will be able to experience considerable energy savings throughout the years. EA21-22W1050*eh* design reduces internal bulb heat providing greater durability and constant bulb performance.

*Note: Design, features and specifications subject to change without notice. Some features may not be available on all models. Please visit www.eurilighting.com or call 1-310-787-1100 for more information.
