

Designed with ultra-sharp dual curved blades and compact size, this network cable cutter is perfect for cutting twisted pair network cables quickly and easily. This network cable cutter also features the following:

- Ultra-sharp blades cut completely through network cables, including the pesky nylon rip cords
- Curved blade design minimizes cable deformation, ensuring consistent impedance when connectorizing the cable
- Large jaw opening allows you to cut network or copper cables up to 0.50" (12.7 mm) in diameter
- Made from stamped steel with a black oxide coating to provide ultimate sharpness and durability
- Curved spring-loaded handles with double-dipped plastic grips provide greater cutting leverage and comfort than your standard cutter
- Locking tab keeps handles closed when not in use
- Lifetime Warranty
