Item description

Empty housings *WINSTA*®

Implement your installation project with ease: The empty housings from the *WINSTA*® product line is the product of your choice for quick, straightforward installation. You can rely on the quality of *WINSTA*® components from WAGO for your electrical installation accessories too.

Lower costs through fast commissioning and elimination of service expenses – solutions from *WINSTA*®

The *WINSTA*® Pluggable Connection System is ideally tailored to the strict requirements of building installation. It makes electrical installation pluggable, and consequently more efficient, more reliable, and error-free. Using this pre-assembled system reduces time spent on assembly and installation errors at the construction site. Enjoy the benefits of the pluggable version of our maintenance-free spring pressure connection technology too! Plan your installation with *WINSTA*® distribution boxes from WAGO.

- intuitive marking
- saves time, since no wiring is required at the construction site
- rapid, structured electrical installation
