KLEIN TOOLS 

 **MADE IN USA**

**CUTS AND REMOVES
ALUMINUM
METAL CLAD (MC)
CABLE JACKET**

COMPACT CABLE CUTTER

This compact, high leverage cable cutter is designed to cleanly cut through thick cable and wires with ease. Cuts up to 1/0 AWG aluminum and copper cable, in addition to being able to cut through metal clad (MC) cable jackets.

High leverage design cuts up to 1/0 AWG aluminum and copper cable

**Perfect for working
in confined spaces**

**Forged custom,
US-made tool steel**
for durability

**Plastic-dipped
handles** for
comfort

Hot-riveted joint
ensures smooth action
and no handle wobble

ACTUAL SIZE

Compact, yet powerful, cutter
doesn't take up a lot of room in the tool bag

Do NOT use to cut steel or ACSR
